**ORAL ORDER**

(Passed on 14th March, 2007)

The following oral order of the Court was passed by Dilip Raosaheb Deshmukh, J.

2. Heard. The only point urged by the learned counsel for the appellants is that the multiplier applied by the learned M.A.C.T. was wrong. However, a perusal of para 13 of the impugned award shows that the deceased was aged 73 or in any case was more than 65 years of age, at the time of accident.

3. In this view of the matter, the multiplier 5 was rightly applied by the learned M.A.C.T. No other point was urged by the learned counsel for the appellants. This appeal is dismissed being devoid of merit.
